Ramanathapuram ,India | 9363144836 | praveenexpress444@gmail.com | github.com | [linkedin.com](https://www.linkedin.com)

Profile

Computer Science and Engineering (Cyber Security) student with a strong foundation in programming, software development, and problem-solving. Proficient in Java, HTML, CSS, JavaScript, and database management. Experienced in developing academic and personal projects using modern technologies. Passionate about learning new technologies, building innovative solutions, and continuously improving technical skills. Seeking an opportunity to apply knowledge and contribute to software development and IT projects while growing as a professional.

Skills

Languages	Java.
Front-end	HTML, CSS,java script.
Database	MySQL , MongoDB
Concepts	Object -Oriented Programming, Exception Handling, Collection Framework.
Tools	GitHub,Kali Linux,Vs code.
Tech skills	Fullstack Development,web Development.
Soft Skills	Team Collaboration, Problem Solving, Adaptability, Communication.

Projects

1.Decentralized Online Voting System using Biometric Authentication

- Developed a secure online voting system with biometric and multi-factor authentication.
- Implemented user verification using Aadhaar, EPIC, mobile number, and face recognition.
- Secured vote data with encryption and enabled remote voting with admin-controlled access.

Technologies Used: Java, MySQL, OpenCV (Face Recognition), SHA-256, AES

2.Learning Management System (LMS):

- Developed a user-friendly Learning Management System with responsive interfaces for students, instructors, and administrators.
- Implemented secure user authentication, role-based access control, and course management features.
- Enabled student enrollment, content delivery, and progress tracking to enhance the learning experience.

Technologies Used: HTML, CSS, JavaScript, SQL

Certification & Achievements

Certificates : Full Stack Development (NoviTech), MongoDB, Soft Skill Training Courses(Infosys), Artificial Intelligence Foundation Certification,Applied Generative AI Certification (Infoys | Springboard)

Achievements : Hackathon (4th prize) in Nandha Engineering College .

Internship

- Cyber Security Intern – Think Info Expert Solutions, Salem**
Learned cybersecurity fundamentals through hands-on training, gaining knowledge in network security,threat analysis, and vulnerability assessment.
- Worked with security tools and collaborated on secure system design and cyber defense best practices.

Education

BE-CSE(CS)	2023-2027	Nandha Engineering college (currently in 3" Year)	Current CGPA : 7.959
HSC	2022-2023	Alangara Matha Higher Secondary School.	78.5%
